

Santa Cruz County Catio Tour 2016  
Route Planner and Catio Tour Day Guidelines

The Tour is Self-Guided from 10 am - 2 pm: You may start at any catio location and go in any order you prefer. Due to the distance between some catios, there may not be time during tour hours to visit all of the catios.

Your First Catio Stop: At your first catio, please stop at the check-in table and receive your wrist band for the day.

Catio Hosts : The Catio Hosts will be on-site to answer general questions about the tour. They will be wearing Catio Tour name badges for identification.

Look for Catio Tour Signs: In front of each home there will be a sign with the tour logo and the catio number.

Catio Tour is Made Possible by Donations: Please consider supporting this fun educational event with a donation. There are donation jars at each catio along the tour, or you can make donations online at either:

[www.nativeanimalrescue.org](http://www.nativeanimalrescue.org) or [www.scanimalshelter.org](http://www.scanimalshelter.org)!

Important Tour Details: Smoking is not allowed at any of the properties; restrooms are not available so please plan other pit stops accordingly; please leave all pets at home while taking the tour; when parking in the catio neighborhoods be mindful of parking restrictions and courteous to neighbors; ask questions, take notes, and have fun!
